

# POOL STICK HOLDER

## Materials Needed:

1-16" Round Table Tops  
(Waddell #2918A)  
4-15-1/4" Parsons Table Legs  
(Waddell #2665)  
4-5" x 2-1/4" Bun Feet  
(Waddell #2730)  
8-Straight Top Plates  
(Waddell #2751)  
Customer provided hooks (for pool racks)

## Tools Needed:

Drill  
5/32" Drill Bit  
Phillipshead Screwdriver  
Hole Saw  
1-3/4" Hole Drill Bit

**Step 1:** Drill 6 1-3/4" holes with a hole drill bit, evenly spaced, on the top of 1 **Table Top**. (Holes should be a minimum of 1" in from edge.)

**Step 2:** Apply 4 **Straight Top Plates**, evenly spaced, onto the bottom of the first **Table Top**. (Place **Straight Top Plates** at least 1/4" in from edge.)

**Step 3:** Attach **Parsons Table Legs** to **Straight Top Plates** and glue the bottom of the legs to the bottom **Table Top**. (Use Liquid Nails for Furniture LN365 Adhesive.)

**Step 4:** Apply 4 additional **Straight Top Plates** to the underside of the bottom **Table Top** evenly for **Bun Feet** placement. (Again, be sure to place **Straight Top Plates** at least 1/4" in from edge.)

**Step 5:** Attach **Bun Feet** to **Straight Top Plates**.

**Step 6:** Attach hooks for hanging purposes (pool racks) in desired locations.

**Step 7:** Apply desired finish to **Pool Stick Holder**.
